

Touch Typing

Class Five

Lab 8

Lab Objectives:

- Words
- The Vowels E, U and I

Finger Placement

Follow the colours and finger numbers in the next chart to practise lines of each pattern or word in the following exercises. Visualize where the letter keys are and use the fingers shown.

Using only the four Left hand letter keys, D and F on the Home Key row with E and R on the row above we can feel out the word 'fred' which is one of over 30 words that can be formed from only these four letters. Two other examples are, referee and feeder.

Exercises - 1

Do each exercise two times - twice in a row. Repetition is your best friend. Repetition is your best friend. Did we say that repetition is your best friend. It's true. Repetition...
