

# Ethics in IT

Class VIII  
lab 2

# Ethics vs Morality

**Ethics:** relates to the philosophy behind a moral outcome.

**Morality:** agreed upon rules for what is 'right' and 'wrong'

**Ethics**  
and **Morality**

# Basic Principle of Ethics

- 1. Do no harm**
- 2. Make things better**
- 3. Respect others**
- 4. Be fair**
- 5. Be loving**

# Do No Harm

try not to  
harm people

# Make Things Better

Make people  
feel good  
about  
themselves.

# Respect Others

respecting  
others  
will make you  
a special one

# Be Loving

Show people and  
animal that  
you care about  
them

**Thank  
you!**
