

Touch Typing

Class Five

Lab 10

Lab Objectives:

- Introducing Letters: W S L O Y

Finger Placement

With the addition of these five new letters, you're really going to go places.

W and S on the LEFT hand. Y, L and O on the RIGHT hand.

Heres's some of the longest words you can now make with the letters you'll be typing from the chart above:

Flourished, Righteously, Worthiest, Fortitude and Yourself.... plus a heap of common every day words like:

yes, right, like, trust, give, follow, look, rest, joke, high, just, food.

Exercises - 1
