

Touch Typing

Class Five

Lab 11

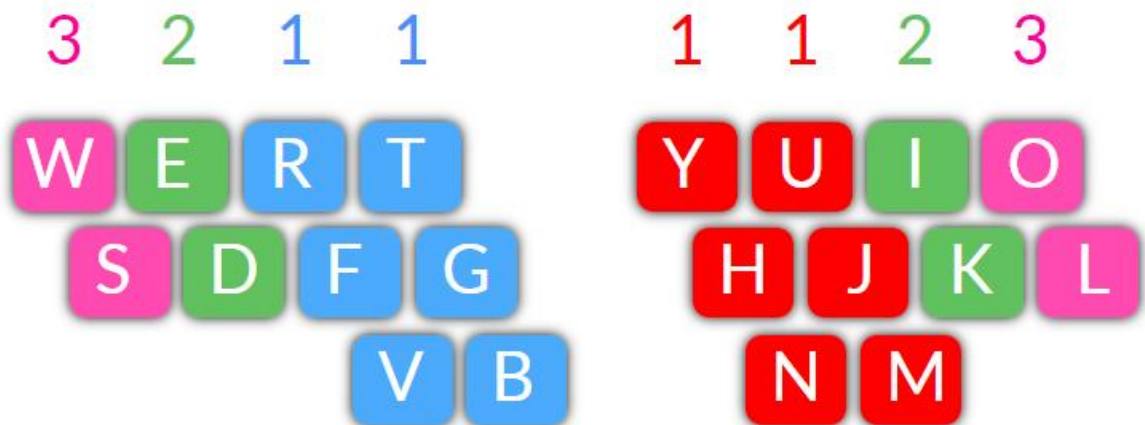

Lab Objectives:

- Introducing Letters: V B N M

Finger Placement

You are now advancing to bottom row letters. These will be a bit more challenging but they are yours for the taking. Just keep up the practice and before you know it, they will all be under your command.

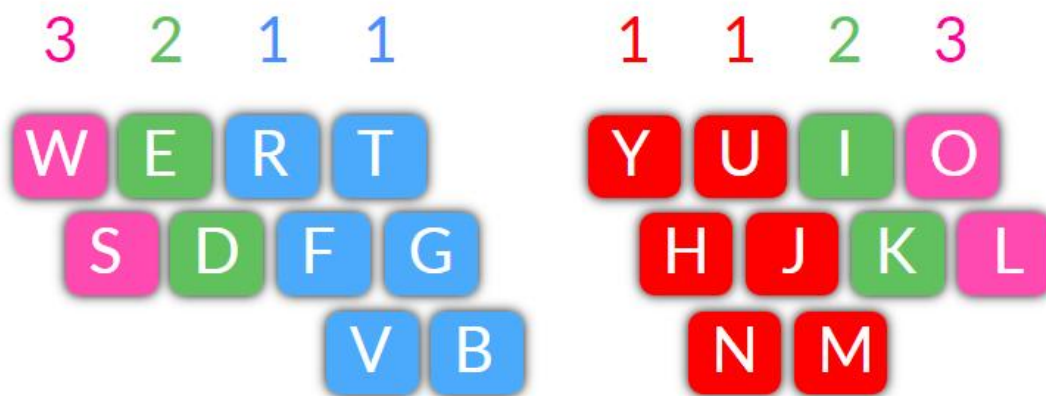

Here's a few to get you started: *home, newest, mother. love, verify, west, justly, oven, bike*

Exercises - 1

Use your LEFT HAND INDEX FINGER (No. 1) for V and B

Use your RIGHT HAND INDEX FINGER No. 1) for N and M

Both Hands
